

Season's Greetings

**Thank You
Fellow
Villagers for a
Wonderful
Year!!!**

Happy Holidays from our Village to Yours!

This time of year brings thoughts of heartfelt gratitude to all of you who have rallied around us, donated your time, talent and financial support of our mission at Cape Cod Village.

It's been a pleasure getting to know all of our new friends as well as reuniting with familiar faces. 2014 will bring more exciting changes as we move a step closer to our vision of this timely and necessary community for adults with autism.

Wishing you and your family peace & joy in 2014.

We are raising funds, raising awareness and raising the roof of Cape Cod Village in the not too distant future.

A Look Back...

It's hard to believe that more than a year has passed since our first fundraiser. *The Trivia Challenge*, was held last November at the Sea View in Dennisport and the response was overwhelming! Over 250 community members came to answer the call. We were off to a great start! The holidays were made sweeter thanks to The Chatham Candy Manor who chose CCV as the recipient of proceeds from *The Generous Indulgence Gift*. In the spring, the Dennis Chamber of Commerce held their 14th annual golf tournament, and Cape Cod Village was their charity of choice.

"We make a living by what we get. We make a life by what we give."
~ Winston Churchill

A Look Back...

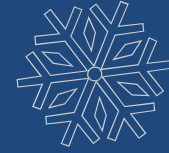

A *Stroke Fore Autism* was in full swing at the Dennis Pines! The busy summer season was brought to a close overlooking Nantucket Sound at the Craigville Retreat Center. We kicked off our capital campaign with *Autism & Authors*. Over 100 attended to hear a panel discussion among three authors about autism and its impact on families. This event was moderated by special guest Mindy Todd of NPR. The Boston Higashi School jazz band entertained and demonstrated what is possible for these young adults with autism.

As the year winds down, CCV continues to expand and grow welcoming four new board members and adding an Advisory Board. We're looking at land and laying our plans. We are raising funds, raising awareness and raising the roof of Cape Cod Village in the not too distant future.
